## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Habitat for Humanity of Dane County, Inc.
Madison, Wisconsin

We have audited the accompanying financial statements of Habitat for Humanity of Dane County, Inc., which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

## **Basis for Qualified Opinion**

We did not observe the physical inventory (stated at \$233,823) as of June 30, 2017, as the organization's records did not contain physical counts of inventory. We were unable to obtain sufficient appropriate audit evidence about inventory quantities as of June 30, 2017. For the years ended June 30, 2018 and 2017, we were unable to obtain sufficient appropriate audit evidence about the amount of cost of goods sold (stated at \$1,608,895 and \$1,529,982, respectively) and in-kind contributions – ReStore (stated at \$1,524,686 and \$1,529,216, respectively).

## **Qualified Opinion**

In our opinion, except for the possible effects of the matter discussed in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of Habitat for Humanity of Dane County, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of revenue and expenses by funding source (shown on page 25) is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of City of Madison Community Development Division funds expended by program (shown on page 26) is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for the effects on the schedule of revenue and expenses by funding source of the qualified opinion on the financial statements as described above in the Qualified Opinion paragraph, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE A -- Nature of business and significant accounting policies**

#### Nature of business

Habitat for Humanity of Dane County, Inc. (the organization), a nonprofit corporation organized in 1987, is a local affiliate of Habitat for Humanity International, Inc. that was organized for religious, charitable, and educational purposes and works with economically disadvantaged people to help them create a better human habitat in which to live and work. The organization operates under a covenant agreement with Habitat for Humanity International, Inc.

The organization builds and remodels homes that are then sold at favorable terms to qualified families. The main recipients of these programs live in Dane County, Wisconsin.

The organization's primary sources of revenue are from sales of completed homes, gifts and donations, and sales from the ReStore. The ReStore sells low-cost materials to home remodelers and do-it-yourselfers while preventing usable materials from ending up in landfills. The profits from the ReStore are used to fund the construction of homes.

A summary of significant accounting policies follows:

## **Basis of accounting**

The financial statements of the organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

## Basis of presentation

Under accounting principles generally accepted in the United States of America (U.S. GAAP), the organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets are not restricted by donors. Designations are voluntary board-approved segregations of unrestricted net assets for specific purposes, projects, or investments.

Temporarily restricted net assets have been limited by donor-imposed time restrictions or purpose restrictions.

Permanently restricted net assets have been restricted by donors to be maintained by the organization in perpetuity.

## Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## **Exempt status**

The organization is exempt from income taxes under Internal Revenue Code Section 501(c)(3) as a public charity and not a private foundation. The organization is also exempt from Wisconsin income tax.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE A -- Nature of business and significant accounting policies (Continued)**

## Cash and cash equivalents

For purposes of reporting cash flows, the organization considers all investments purchased with a maturity of three months or less to be cash equivalents.

The organization maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The organization has not experienced any losses in such accounts. Management believes it is not exposed to any significant credit risk on cash and cash equivalents.

## Promises to give

Unconditional promises to give are recognized as support or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

## **Accounts receivable**

The organization considers all accounts receivable to be fully collectible. Accordingly, no allowance for doubtful accounts has been developed. If amounts become uncollectible they will be charged to operations when that determination is made. Accounts receivable are not interest-bearing. A receivable is considered past due if payments have not been received by the organization after 30 days.

## **Inventories**

Inventories consist of construction materials that were donated or purchased by the organization. Inventories are valued at the estimated selling price of the donation in the period received or cost of the purchased asset on the first-in, first-out (FIFO) method.

## Homes in progress and land (developed and undeveloped)

Homes in progress and land (developed and undeveloped) are valued based on the lower accumulated direct costs of acquisition, construction, and renovation of uncompleted homes and land being prepared for sale (cost) or net realizable value.

## Mortgages receivable

Mortgage notes receivable potentially subject the organization to a concentration of credit risk due to the relatively small geographic area it serves. The organization's credit risk is mitigated by mortgages that are collateralized by the related properties.

In furtherance of its charitable purpose, the organization sells the homes it constructs to qualified applicants for non-interest-bearing mortgage notes. The value of these notes is then discounted to give the organization credit for the value of interest not being charged to homeowners. The rate for discounting mortgages receivable is determined by Habitat for Humanity International, Inc. The discount is recognized by accreting interest using the interest method over the life of the mortgages. Because all mortgages are well collateralized and in the process of collection, no mortgage loans have stopped accretion of interest.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE A -- Nature of business and significant accounting policies (Continued)**

The organization regularly reviews its portfolio of mortgage notes receivable and monitors the accounts for delinquencies. Homeowners whose mortgages are more than 30 days past due are considered to be in an early stage of default. During the period of delinquency, the organization contacts the homeowner using collection efforts and establishes a payment plan with the homeowner, if necessary. Thereafter, if forgoing collection efforts are not successful, the organization attempts to enter into a mutually agreed-upon deed-in-lieu of foreclosure with the homeowner. Homeowners whose mortgages are more than 120 days past due, who have not made satisfactory payment arrangements or reached a deed-in-lieu of foreclosure agreement with the organization are subject to foreclosure proceedings.

Based on current relationships with homeowners, the organization has concluded that realized losses on balances outstanding at year-end will be immaterial.

## New markets tax credit – investment

The organization invests in a limited liability company with other Habitat for Humanity affiliates to take advantage of new markets tax credits. The investment is recorded on the equity method. See Note E.

## **Property and equipment**

Property and equipment is stated at cost if purchased or fair value on date of receipt if received as a gift or bequest, less accumulated depreciation. Depreciation of property and equipment is computed by the straight-line method based on the following estimated useful lives. Leasehold improvements are amortized using the straight-line method over the initial term of the lease. Amortization expense is included in depreciation expense.

	Years
Buildings	20 - 40
Improvements	3 - 20
Leasehold improvements	3 - 20
Equipment	3 - 7
Vehicles	4 - 5

Maintenance and repairs of property and equipment are charged to operations, and major improvements are capitalized. Upon retirement, sale or other disposition of equipment, the cost and accumulated depreciation are eliminated from the accounts, and any resulting gain or loss is included in operations.

Depreciation expense totaled \$94,070 and \$72,791 for the years ended June 30, 2018 and 2017, respectively.

## Capitalization policy

The organization's policy is to capitalize property and equipment with a unit cost in excess of \$2,000 and a useful life of more than one year.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE A -- Nature of business and significant accounting policies (Continued)**

## Impairment of long-lived assets

The organization reviews long-lived assets for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset are less than the carrying amount of that asset. To date, there have been no such losses.

## New markets tax credit – restricted cash

Restricted cash represents cash received as a result of the new market tax credit (NMTC) transactions and will be used to pay future program expenses.

## Deferred revenue, new markets tax credit

The organization recognizes deferred revenue associated with the NMTC transactions as revenue over the seven year NMTC term.

## **Deferred revenue, Community Development Financial Institution (CDFI)**

Deferred revenue, CDFI represents the portion of the grant that can be recognized as revenue in future years on a pro rata basis based on the percentage of mortgages issued over the expected mortgages to be issued as disclosed in the grant agreement.

## **Debt issuance costs**

In April 2018, the organization incurred closing costs and structuring fees related to the NMTC financing (see Note N). Debt issuance costs totaled \$117,427 and are being amortized on the straight-line method over 360 months, the life of the loan. The use of the straight-line method rather than the effective interest method has no material effect on the financial statements. Amortized costs included in interest expense totaled \$653 and \$0 for the years ended June 30, 2018 and 2017, respectively.

## Revenue recognition

Revenue from the sale of completed homes and lots is recognized upon the closing of the sale of the property. ReStore sales are recorded as revenue at the time of the sale. Other revenue is recognized when earned by the organization.

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished, such as the payment of expenses related to the restriction), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, the organization reports the support as unrestricted.

Interest, dividends, gains and losses on investments are reported as an increase or decrease in unrestricted net assets unless explicitly restricted by donors.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE A -- Nature of business and significant accounting policies (Continued)**

#### Donated services and materials

Donated services that create or enhance non-financial assets or that require specialized skill, are performed by people with those skills, and would otherwise be purchased, are recognized as contributions at their estimated fair value in the period received. The organization received 26,242 and 23,960 hours of donated services from volunteers who assisted in the construction of homes during the years ended June 30, 2018 and 2017, respectively. Management estimates the value of these services to be \$393,630 and \$359,400 for the years ended June 30, 2018 and 2017, respectively. The organization received donated professional services of \$5,606 and \$22,405 for the years ended June 30, 2018 and 2017, respectively. Donated materials are recorded at their estimated fair value in the period received and totaled \$253,515 and \$96,773 for the years ended June 30, 2018 and 2017, respectively.

#### Sales tax

The State of Wisconsin and Dane County impose a combined sales tax of 5.5% on the organization's sales to nonexempt customers. The organization collects that sales tax from customers and remits the entire amount to the State. The organization's accounting policy is to exclude the tax collected and remitted to the State from revenue and expenses.

## **Expense allocation**

The costs of providing program services and other activities have been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Costs of direct benefits to donors is not material and is included with the fundraising expenses.

## **Program services**

The organization's significant program services consist of the following:

## Housing

Since its founding in 1987, the organization has built and then sold homes to working, low-income individuals and families. The organization also assists other city and county agencies to provide low-income housing and remodeling assistance.

## ReStore

The ReStore accepts donations of new and saleable, used building materials such as cabinets, lighting and plumbing fixtures, doors, lumber, flooring, and windows, most of which would otherwise be placed in a landfill. Some materials are used to build houses and the remainder are sold to the public at 50-75% off the retail price.

## **Advertising**

All advertising costs are expensed the first time the advertising takes place. Advertising expense totaled \$46,564 and \$59,216 for the years ended June 30, 2018 and 2017, respectively.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE A -- Nature of business and significant accounting policies (Continued)**

## **Accounting standards updates**

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers* that introduced a comprehensive, principles-based framework for recognizing revenue. The guidance is intended to provide a more robust framework for addressing revenue issues, improve comparability of revenue recognition practices and improve disclosure requirements. In August 2015, the FASB issued a deferral of this new guidance and, as such, the new guidance is effective for the organization for the fiscal year ending June 30, 2020. The organization is currently evaluating the effects of this new standard and has not determined the impact on its financial statements at this time.

In August 2016, the FASB issued ASU No. 2016-14, *Presentation of Financial Statements of Not-For-Profit Entities*, which is intended to improve how a not-for-profit entity classifies its net assets, as well as the information it presents in its financial statements about liquidity and availability of resources, expenses and investment return, and cash flows. ASU No. 2016-14 is effective for annual reporting periods beginning after December 15, 2017, and shall be applied retrospectively. The new guidance is effective for the organization for the fiscal year ending June 30, 2019.

## Subsequent events

These financial statements have not been updated for subsequent events occurring after October 26, 2018, which is the date these financial statements were available to be issued. The organization has no responsibility to update these financial statements for events and circumstances occurring after this date.

## **NOTE B -- Unconditional promises to give**

Unconditional promises to give at June 30 consisted of the following:

		2018	2017			
Unconditional promises to give Less unconditional promises to give in one to five years	\$	516,927 226,863	\$	634,758 281,106		
Unconditional promises to give in less than one year	<u>\$</u>	290,064	\$	353,652		

Unconditional promises to give in less than one year are measured at net realizable value which approximates fair value.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE C -- Mortgages receivable**

Mortgages receivable represent amounts due from the purchasers of houses constructed or renovated by the organization. All mortgages are noninterest bearing and are collateralized by real estate. Terms of the mortgages range from 7 to 49 years, with various monthly payment amounts. The average mortgage is approximately 22 years. The contracts also contain a provision that if the house is sold, the deferred profit (appraised value at time of sale to homeowner less initial purchase price) will be due and payable to the organization.

Mortgages receivable as of June 30 consisted of the following:

	 2018	 2017
Mortgages receivable Discount to current value	\$ 8,254,231 (3,908,621)	\$ 8,994,643 (4,412,641)
Mortgage receivable, net Current portion of mortgages receivable	 4,345,610 (870,163)	 4,582,002 (822,032)
Long term portion of mortgages receivable	\$ 3,475,447	\$ 3,759,970

Mortgage receivable are discounted at a rate of 8% for mortgages initiated before fiscal year 2012 and at a rate of 7.39%, 7.58%, 7.51%, 7.48%, 7.46% and 7.57% for mortgages initiated in fiscal years 2013, 2014, 2015, 2016, 2017 and 2018, respectively. The discount is recognized by the interest method over the life of the mortgages. Mortgages receivable aging as of June 30 was as follows:

		2018	 2017
Less than 60 days past due	\$	4,163,088	\$ 4,449,388
60 days past due		82,557	29,378
90 days past due		35,145	0
More than 90 days past due		64,820	 103,236
	<u>\$</u>	4,345,610	\$ 4,582,002

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE D -- Silent mortgages**

The organization holds silent mortgages recorded against properties. A silent mortgage is a mortgage held on a property in a junior position to the primary mortgage. The amount of the silent mortgage is the difference between the appraised value at closing and the first mortgage plus any other funds applied to the sale. These mortgages do not earn interest and have no value unless there is a triggering event, such as the sale or other transfer of title, default under the first mortgage, or refinancing of the first mortgage by a third-party lender or full payment or refinance of the first mortgage. These mortgages are used primarily to protect against predatory lenders and prevent "flipping" a property for short-term gain. Accordingly, since these silent mortgages have no value unless or until a homeowner fails to comply with the covenants and restrictions of the terms of the home sale, the organization does not record the mortgages. The amount of the silent mortgages held by the organization as of June 30, 2018 and 2017, was \$5,614,357 and \$5,610,775, respectively. Included in revenue on sale of completed homes and lots in the statements of activities was a loss from silent mortgages issued of \$165,551 and \$360,649 for the years ended June 30, 2018 and 2017, respectively. Included in revenue on sale of completed homes and lots in the statements of activities was revenue from silent mortgages repaid totaling \$187,274 and \$148,019 for the years ended June 30, 2018 and 2017, respectively.

## NOTE E -- New markets tax credit - investment

The organization, along with other Habitat affiliates, is participating in an investment to take advantage of NMTC financing. The NMTC program permits corporate and individual taxpayers to receive a credit against federal income taxes for making qualified equity investments in qualified community development entities (CDE).

In April 2018, the organization invested \$1,200,000 in HFHI NMTC Leverage Lender 2018, LLC consisting of cash and qualified investment properties. This investment represents a 20.4% ownership. HFHI NMTC Leverage Lender 2018, LLC contributed its combined resources to Twain Investment Fund 306, LLC (Investment Fund) which received additional investment from U.S. Bancorp Community Development Corporation (Bank) as the federal tax credit investor under the NMTC program.

As part of the NMTC program, the Investment Fund invested in HFHI NMTC Sub-CDE III, LLC, a qualified CDE. The CDE is the conduit for accomplishing the NMTC program specifics of constructing and selling qualified housing properties to low income residents. Under the CDE, the organization secured a 30-year loan in the amount of \$1,767,037 to be used solely in accordance with the NMTC program compliance requirements. The loan requires semi-annual interest-only payments for years one through seven at a rate of .679239%. Beginning in year eight through year thirty, the principal balance of the loan is reduced by a twenty-three year amortization at the same rate. The Investment Fund may be subject to tax credit recapture if the NMTC program compliance requirements are not met over the seven year period.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE E -- New markets tax credit – investment (Continued)**

The ultimate holder of the above loan from the CDE to the organization is the Bank through its participation in the Investment Fund. The Bank is expected to waive the payment of the debt so as to participate in the NMTC program via exercising its put option agreement. Under the terms of the put option agreement, HFHI NMTC Leverage Lender 2018, LLC is expected to purchase the ownership interest of the Bank in the Investment Fund. Exercise of the option will effectively allow the organization to extinguish its outstanding debt owed to the Bank.

## **NOTE F -- Property and equipment, net**

Property and equipment, net is comprised of the following:

		2018	 2017
Land	\$	864,882	\$ 916,613
Buildings		1,028,720	1,211,192
Improvements		581,271	299,636
Leasehold improvements		51,691	53,161
Vehicles		41,469	53,769
Equipment		198,262	 213,931
		2,766,295	2,748,302
Less accumulated depreciation		457,582	 493,395
	<u>\$</u>	2,308,713	\$ 2,254,907

## **NOTE G -- Agency endowment**

The organization has established an agency endowment at the Madison Community Foundation (MCF). The organization recognizes the fair value of contributions to the agency endowment as support when received. When the organization transfers the agency endowment funds to MCF, it recognizes the transfer as a decrease in cash and the balances are presented in the statements of financial position as an increase to beneficial interest in assets held by MCF.

Under the provisions of MCF's governing instruments and applicable regulations, the Board of Governors of MCF (the Board) have the power to modify any restriction or condition on, or direction as to, the timing, manner, or character of distributions for any specified charitable purposes or foundations if, in the judgment of the Board, such direction restrictions or conditions become, in effect, unnecessary, incapable of fulfillment, or inconsistent with any distribution policy adopted by MCF or with the charitable needs of the greater Madison community.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE H -- Fair value disclosure**

The fair value measurement for the categories of assets that are measured at fair value on a recurring basis are as follows:

		Fair value measurement using			
Assets	6/30/2018	Quoted prices in active markets for identical inputs (level 1)	Significant other observable inputs (level 2)	Significant unobservable inputs (level 3)	
Long-term unconditional promises to give <sup>1</sup> Beneficial interest in assets	\$ 226,863	<u>\$</u> 0	\$ 226,863	<u>\$</u> 0	
held by MCF <sup>2</sup>	<u>\$ 538,759</u>	<u>\$ 0</u>	<u>\$</u> 0	<u>\$ 538,759</u>	
		Fair v Quoted prices in active markets for	alue measurement of Significant other	using Significant	
	6/30/2017	Quoted prices in active markets for identical	Significant other observable	Significant unobservable	
Assets	6/30/2017	Quoted prices in active markets for	Significant other	Significant	
Assets Long-term unconditional promises to give <sup>1</sup> Beneficial interest in assets	6/30/2017 \$ 281,106	Quoted prices in active markets for identical	Significant other observable	Significant unobservable	

- 1. The long term portion of unconditional promises to give is derived from the net present value of the receivables more than one year with the consideration of the discount rate.
- 2. The organization's beneficial interest in assets held by MCF represents an agreement between the organization and MCF in which the organization transfers assets to MCF in exchange for future distributions. The beneficial interest is not actively traded and significant other observable inputs are not available. Thus, the fair value of the beneficial interest is measured at proportional share of the underlying assets as reported to the organization by MCF. Little information about those assets is released publicly. The estimated value does not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE H -- Fair value disclosure (Continued)**

The following table represents the change in the organization's beneficial interest in assets held by MCF as of June 30:

		2018	 2017
Balance, beginning	\$	498,536	\$ 441,152
Change in value of beneficial interest included in change in net assets Distributions Permanently restricted contributions		45,223 (19,000) 14,000	 61,884 (19,000) 14,500
Balance, ending	<u>\$</u>	538,759	\$ 498,536

The change in value of beneficial interest included in change in net assets is reported as agency endowment return on the statements of activities.

## **NOTE I -- Endowment**

The organization's endowment is held by MCF and shall be held as long as MCF or the organization is in existence. The endowment includes both donor-restricted funds and funds designated by the board of directors to function as endowments. Net assets associated with endowment funds, including the investment return, are classified and reported based on the existence or absence of donor-imposed restrictions.

The organization has interpreted Wisconsin's enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. However, the organization has notified its donors that they reserve the right to make a distribution from their funds even if the value of the fund drops below the amount of the initial gift. In accordance with Wisconsin's enacted version of UPMIFA, the organization expects it will need to consider the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the organization, and (7) organization's investment policies.

The organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the original investment of the endowment. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity. Under this policy, as approved by the board of directors, all endowment assets are invested in a manner that is intended to produce returns to fund the sustainability of the organization's work while assuming a moderate level of investment risk.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE I -- Endowment (Continued)**

Change in endowment net asset activity by type is as follows:

	<u>Unr</u>	estricted		mporarily estricted		rmanently estricted		Total

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE J -- Retirement plan**

The organization has a SIMPLE IRA retirement plan that covers substantially all employees with at least one month of service. Pension expense totaled \$17,602 and \$16,961 for the years ended June 30, 2018 and 2017, respectively.

## **NOTE K -- Line of credit**

On August 6, 2014, the organization opened a \$1,000,000 line of credit with a financial institution at a minimum rate of 3.25% (4% effective August 6, 2017) adjusted to the index rate of the "highest US Prime Rate published in the Wall Street Journal" minus .250 percentage points. The line of credit expired on August 6, 2017, and was subsequently renewed and due on November 6, 2018. The line of credit is collateralized by homeowner mortgages. There was no outstanding balance on the line of credit as of June 30, 2018 and 2017.

## **NOTE L -- Operating leases**

The organization has operating leases for the ReStore West facility, a storage facility and two copiers with original terms varying from 2 to 12 years. The total monthly rent expense for these leases was \$15,571. Rent expense totaled \$183,016 and \$179,990 for the years ended June 30, 2018 and 2017, respectively.

Future minimum lease payments under these leases are as follows:

## Year ending June 30,

2019	\$ 187,376
2020	166,957
2021	164,688
2022	170,677
2023	 <u>205,435</u>
	\$ 895,133

## **NOTE M -- Escrow deposits**

The organization maintains separate bank accounts into which it deposits funds received from homeowners pursuant to their mortgages for the payment of real estate taxes, insurance, and homeowners' association fees. The organization uses the accounts for the payment of those charges as they come due. To ensure cash reserves are maintained to fund the escrow deposit liability, the organization's board of directors has required escrow deposits to be placed into separate bank accounts. The cash balance of this account is included in cash and cash equivalents on the statements of financial position.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE O -- Tithe to Habitat for Humanity International, Inc.**

With respect for and in support of Habitat for Humanity International, Inc., the organization voluntarily remits a tithe of the undesignated public support it received in the prior year. These funds are used by the international organization for providing housing for the poor around the world. For the years ended June 30, 2018 and 2017, the amounts remitted totaled \$41,200 and \$25,000, respectively.

## **NOTE P -- Net assets**

## Temporarily restricted net assets

Temporarily restricted net assets include assets set aside in accordance with donor restrictions as to time or purpose. Temporarily restricted net assets are available for the following purposes or periods as of June 30:

		2018	 2017
Subsequent years' operations Time restriction on endowment earnings	\$	428,838 129,229	\$ 557,258 107,988
	<u>\$</u>	558,067	\$ 665,246

## Permanently restricted net assets

Permanently restricted net assets include assets set aside in perpetuity in accordance with donor restrictions. Permanently restricted net assets consist of the endowment held by MCF.

NOTES TO FINANCIAL STATEMENTS June 30, 2018

## **NOTE Q -- Mortgage sales**

During fiscal year 2018, the organization sold 21 mortgages with outstanding balances of \$1,632,169 to three financial institutions. The mortgages are serviced by the organization and the outstanding balances were \$1,658,884 as of June 30, 2018.

During fiscal year 2017, the organization sold 31 mortgages with outstanding balances of \$2,089,144 to three financial institutions. The mortgages are serviced by the organization and the outstanding balances were \$1,825,707 and \$1,953,093 as of June 30, 2018 and 2017, respectively.

During fiscal year 2016, the organization sold 14 mortgages with outstanding balances of \$1,108,551 to two financial institutions. The mortgages are serviced by the organization and the outstanding balances were \$848,380 and \$989,124 as of June 30, 2018 and 2017, respectively.

During fiscal year 2014, the organization sold 13 mortgages with outstanding balances of \$711,722 to two financial institutions. The mortgages are serviced by the organization and the outstanding balances were \$496,596 and \$547,574 as of June 30, 2018 and 2017, respectively.

During the fiscal year 2012, the organization sold 13 mortgages with outstanding balances of \$587,793 to another financial institution. The mortgages are serviced by the organization and the outstanding balances were \$292,066 and \$339,152 as of June 30, 2018 and 2017, respectively.

During the fiscal year 2010, the organization sold 11 mortgages with an outstanding balance of \$524,009 to a financial institution. The mortgages are serviced by the organization and the outstanding balances were \$49,081 and \$66,055 as of June 30, 2018 and 2017, respectively.

## **NOTE R -- Letters of credit**

As a requirement to develop the Renaissance on the Park and Vandenburg Heights, the organization was required by the City of Fitchburg and City of Sun Prairie, respectively, to obtain letters of credit to ensure completion of both developments.

For the Renaissance on the Park development, the organization established an Irrevocable Letter of Credit with a financial institution on June 21, 2016 for \$610,000 with a fixed interest rate of 8%. The organization cancelled the letter of credit on April 19, 2017, and obtained a new letter of credit on June 7, 2017 for \$98,000 which was reduced to \$16,800 on April 16, 2018. The letter of credit expires May 5, 2019, and is secured by mortgages receivable.

For the Vandenburg Heights development, the organization established an Irrevocable Letter of Credit with a financial institution on July 18, 2018 for \$198,077 with a fixed interest rate of 8%. The letter of credit expires July 18, 2019, and is secured by mortgages receivable.
