

Habitat for Humanity of Dane County Sponsorship Opportunities

Employee Engagement • Visibility • Education • Giving Back • Affordable Housing • Community Impact

Join Habitat in creating long-term housing solutions!

Lasting change is possible through strong community partnerships. Your investment is building a stronger Dane County. With permanent, safe and affordable housing, families devote more of their resources to healthcare, parenting, education and more, offering so many possibilities! This leads to better health, higher civic engagement, lower crime, and strong community stability.

Building a Stronger Dane County

Since 1987, Habitat for Humanity of Dane County has built more than 335 homes, repaired 40+ homes, and provided financial capabilities to more than 45 families. To date, Habitat has partnered with over 570 families to achieve homeownership in 18 Dane County communities.

Habitat does more than just build homes; we help families build strength, stability, and self-reliance through shelter. With the help of corporate partners, donors, and volunteers, we are working together to ensure everybody has a safe and affordable place to live.

Children of homeowners are **25% MORE LIKELY** to graduate high school.

Children of homeowners are **116% MORE LIKELY** to graduate college.

1 IN 8 Wisconsin families spend half or more of their income on housing.

NOWHERE IN THE U.S. can a full-time employee earning minimum wage afford a one-bedroom apartment.

Sponsorships make our mission possible!

By partnering with Habitat, you'll build name recognition and visibility throughout the community while helping your neighbors in need of safe and affordable housing. Benefits of partnership include aligning your organization with a trusted, local non-profit that has a solid record of creating long-term housing solutions and engaging your staff and network through hands-on volunteer opportunities.

Employee Engagement

HANDS-ON INVOLVEMENT WITH A BIG IMPACT

Create a memorable experience unlike any other corporate event while strengthening employee engagement and giving back to our community in a meaningful way. Volunteer events include:

- ▶ Construction site build days
- ▶ ReStore work days

Events

CONNECT, NETWORK, & LEAD

Take your organization's name centerstage and connect with philanthropic leaders in a meaningful way as a Habitat event sponsor. Opportunities include:

- ▶ Annual Home at Last Breakfast
- ▶ Dream Tours
- ▶ Women's Leadership Build Day

Program Support

INNOVATIVE SOLUTIONS TO SUPPORT OUR COMMUNITY

Stand behind our mission to build strength, stability, and self-reliance for Dane County families in need as a corporate sponsor for a Habitat program that aligns with your organization's giving priorities. Habitat programs include Habitat homeownership, home repairs, financial capability, Furniture Bank, and more.

Giving Back

COMMERCIAL GIFT-IN-KIND DONATIONS

Our ReStores depend on donated items. If you have overstock inventory, used items, or just need to clear out your warehouse or office space, please consider us. Your donations will be sold locally, keep your materials out of landfills, and help residents improve their current homes with affordable, high-quality materials.
